Introduction

**In the name of Allah the entirely
merciful, the especially merciful**

**Brief background of where I took my
inspiration to author this book**

I remember many years ago as I was in
South Wales, I once came across a tiny
book of a few tens of life quotes, and it was
just what I needed for the years ahead. It

provided me with the steam I required to finish my Software Engineering Work Placement, and most importantly **my search for the truth.**

Fast forward just over 10 years later, I now have my own series of inspirational quotes , and books on motivational sayings and spirituality.

“Enjoy Learning and Learn while Enjoying”
